

LEGGETT & PLATT TECH CENTER

— DETROIT, MI —

OFFICE SPACE & LAB TEST FACILITY

13,200 Sq. Ft. Total Under Roof

FEATURES

The new Leggett & Platt Automotive Tech Center Headquarters is located in the Brewery Park Campus Downtown Detroit.

The free-flowing modern space has stylish accents throughout with its pops of color from acoustical clouds and wall panels to the chevron patterned LVT flooring.

The space includes reception area, open office area, private offices, collaboration area, large conference room, staff lounge, and testing lab facility area. Fieldstone A&E provided Architecture, Engineering, Interior Design and Construction Administration.

FIELDSTONE A&E ROLE:

- Architecture • Engineering
- Interior Design
